

DOWDS SCHOOL

May '10' NEWSLETTER

May is here and we have an eventful month ahead of us!!! The third and fourth graders have completed their OAA's and everyone is excited to finish out the year. Please take a look at the attached calendar for all of the upcoming field trips, school events, and activities. Also, check the website weekly for updates to the Dowds calendar.

I would like to take this opportunity to thank everyone who helped make this school year amazing!!! The teachers, parents, and most importantly the KIDS!!! Also, a special thanks goes out to all of the volunteers who helped out weekly or during specials events and trips!!!

This month is very important for your child to finish out the school year on a positive note. How they end school usually determines how they will start school in the fall. If you have any questions, please contact your child's teacher. I will be in the office until June 24th.

Yours in Education,

Authors to Visit Dowds!!!

On May 11th, Dowds and Auburn Elementary will be hosting two Ohio authors, Linda Stanek and Nancy Roe Pimm. During the school day, students will have a chance to learn about the authors and have an opportunity to hear them read and discuss their stories. Then during the evening of May 11th, Linda Stanek will be at the Marvin Memorial Library from 6:30-7:30 to kickoff the summer library program. Join us for a night of literacy and family fun.
