Over \$195, 000.00 . . . that's how much LOCAL money Shelby students were awarded last year. The following scholarships are available to Shelby students ONLY. Please note that the \$ amount for each scholarship could vary from year to year.

1. **Read** the listing of local scholarships and determine the scholarships for which you qualify based on the CRITERIA column.
If you turn in an application for a scholarship whose criteria includes a specific college major and you change your major, you must tell Mrs. Lerback as soon as possible.
2. All **Phase I** scholarships use the **Standard application**.
Access this application on the SHS Guidance Office website link titled *Application for Local Scholarships*.
Save a blank copy to your google drive. Just change the name of the scholarship at the top for each you're applying for as you print each one. Be sure to use the complete name of the scholarship as listed.
Type the standard essay and/or any additional essay requested and staple it to the standard application.
3. **Think** through your essays.
Many scholarships that require the standard application only ask for the standard essay.
Some scholarships have a specific prompt unique to that particular scholarship.
Edit and proofread your essay. Have someone else proofread your essay too.
Be honest and sincere in the content of your essay, but now is NOT the time to be modest.
4. Staple any requested supporting materials (noted in column 3) to the application. If this includes a letter of recommendation, please instruct the recommender to turn their letter into the guidance office and clearly label on an envelope the STUDENT's name and the SCHOLARSHIP name.
5. **Return** all materials by to the SHS Guidance Office by Friday, January 11, 2019. You may turn them in early. Each scholarship has its own bin or folder. It is YOUR responsibility to place each scholarship in the appropriate folder or bin.
